

Carlsberg Central Office and the Sustainable Development Goals

3

GOOD HEALTH AND WELL-BEING

- Healthy Building
- Good daylighting
 - Fresh air
 - Good acoustics
 - Views to nature
 - Noise minimisation
 - Covered cycle parking and changing rooms

7

AFFORDABLE AND CLEAN ENERGY

- Low Energy Design
- 2020 Low Energy Class
 - Highly insulated building
 - Low energy windows
 - Solar blinds
 - LED lighting
 - Solar cells to electricity production

8

DECENT WORK AND ECONOMIC GROWTH

- Workplace Value
- High end architecture
 - Stable building value
 - Flexible floor plans
 - Enhanced productivity
 - Efficient logistics and wayfinding

12

RESPONSIBLE CONSUMPTION AND PRODUCTION

- Sustainable Construction
- Green building materials
 - Recycled copper
 - Green roofs
 - Efficient modular construction
 - Prefabricated facades

13

CLIMATE ACTION

- Climate Adaptation
- Green roofs
 - Rainwater harvesting
 - Local rainwater retention
 - Rainwater used in recreative landscape design

17

PARTNERSHIPS FOR THE GOALS

- Inclusive Workspaces
- Spaces for synergy and interaction
 - Artistic qualities
 - Accessibility
 - Transparency
 - Healing environment
 - Less absentees
