

- 
- This architectural floor plan depicts a long, curved building with a variety of interior spaces and outdoor areas. The building's layout is semi-circular, with rooms numbered 1 through 21. The plan includes a legend on the left side that identifies each number with a specific function. The building is surrounded by outdoor spaces, including sensory gardens (20), a playground (21), and courtyard gardens (10). A reflecting pool (19) is located near the entrance (1). The building features multiple entrances, a large assembly hall (5), a meditation room (6), a music room (11), a public lounge/play area (14), treatment rooms (15), spa rooms (16), a kitchen (17), a garage/workshop (18), and a library (13). The plan also shows various smaller rooms, including guest accommodation (3), meeting rooms (4), and bathrooms (8). The building is surrounded by landscaping, including trees and shrubs, and a road with a car is visible near the entrance.
- 1 - entrance
 - 2 - foyer/café
 - 3 - guest accomodation
 - 4 - meeting
 - 5 - assembly hall
 - 6 - meditation
 - 7 - accomodation
