FLEXA®

SUBTLE SIMPLICITY

Beds, Desks, & Bed Accessories

The FLEXA White collection can be continuously adjusted to fit children's changing needs.

White is based on the colour white, created from solid pine and certified MDF for a strong, honest, and long-lasting finish.

With FLEXA White we wish to give children a

space of their own. A place where they can feel safe to go on adventures - both in their dreams and during daytime. The bed can be personalised by adding a safety rail or drawers for extra storage.

Create the bedroom of childhood dreams with the White collection.
