

GENESE WORK DESK

GENESE WORK DESK:

The Genese Work desk is a height adjustable desk.

The tabletop is very simple and minimalistic in its design, while the base breaks the clean lines with its curved shape.

The whole Genese series is available in many different materials and colors, which allows you to put your personal touch on the final design.

- Tabletop in linoleum, NanoSoft laminate, veneer or laminate.
- Black or white frame. Feet with polished top.
- Electrical height adjustment 66 - 130 cm
- Manual height adjustment 67 - 96 cm
- Integrated cable tray
- Max weight load 130 kg.

Design: Voss & Hedlund
