

A black and blue swimming pool pump unit. It features a large black spherical filter housing on the left, connected to a black motor and pump assembly on the right. A black corrugated flexible hose is attached to the top of the filter housing. The entire unit is mounted on a black base. A semi-transparent blue banner is overlaid across the middle of the image.

## PRO CLASSIC 300 basic Assembly

Insert and turn

Insert two first and then place inside the tank

Insert the remaining when inside the tank

Place to avoid sand getting into the manifold during filling

Make sure to clean of all sand before removing
